

Puppy Update Agreement

I understand I am being offered this agreement because due to either not owning a pet previously or living in a new area, I do not have availability to a veterinary reference to offer the seller/breeder of the puppy listed below.

Litter No. _____ Micro Chip No. _____ Sex: _____
Breed: _____ Color: _____

I further understand my obligation and agree to do the following so the breeder/seller is assured the puppy being placed in my care, as part of my family, will be getting a good home and will be properly cared for throughout it's lifetime with me.

I agree to send quarterly updates, which include how the puppy is doing and adjusting to it's new home, and pictures of the puppy for the first 18 months of my ownership of the puppy. I understand I can send these updates more often if I choose, but agree to a minimum of every 3 months beginning with it's first well-puppy exam that is required to be done within 7 days of purchase of said puppy.

I also understand that the well-puppy exam and necessary "normal" vaccinations, as well as a minimum of 2 yearly fecal exams, and dewormings if deemed needed by my vet, are requirements to keep the health guarantee in force for my puppy. Necessary "normal" vaccinations are defined below:

1. However many puppy shots are still needed from time of purchase to complete the series of 4 needed by 16 weeks of age.
2. A minimal Distemper/Parvo/Parainfluenza/Adenovirus 2/Coronavirus booster annually.
3. Rabies given by 6 months old. The first shot being good for 1 year and further boosters at 2 or 3 year intervals, depending upon the type used by my vet.

I understand that this is a legal and binding agreement and if I fail to meet the obligations within, any litigation required on the puppy's behalf to enforce it will take place in the county seat of purchase, Lucas County, Iowa. My signature below attests that I have read and understand this agreement and agree to abide by it.
